

## Junior Church

What sort of things will you be doing? All sorts! Making, drawing, learning, playing, singing and even cooking and debating things, depending on your group.

All groups normally leave the main church service at about 10.20am and go to their rooms. Once a month everyone stays in for an All-Age Service.

We do stuff that you wouldn't get to do at school like learning how to cook outdoors. We've been making a clock, square lashing, go-karting, hitting the park for a game of 'German Spotlight', camping under canvas. The best bit of being a Scout? "Your mum can't see you". We're Scouts. We're 10½ to 14. Wanna join?.
